## ***UFS — created by bankers, for bankers.***

*Nearly 30 years ago, a visionary group of community bankers collaborated to leverage the intersection of passionate people, best of breed technology, and continually evolving community expectations to empower bankers to simply be great bankers. Owned by community banks and heavily staffed with former bankers, UFS provides confidence in the execution of each bank's unique strategy. Sharing data insight around financial, customer, and technology trends is just one way to drive success.*

*Today, UFS is the community bank technology outfitter that inspires confidence for community banks by providing purpose-built solutions that make technology work for them, instead of the other way around.*

*Whether you need efficiency through bank exclusive cloud services, confidence around cybersecurity, regulatory compliant IT, or meeting changing customer digital expectations, let's start a conversation to see how UFS can support your strategies.*
